

RAISE YOUR EXPECTATIONS

Exceptional flavor and quality with unparalleled predictability

- Tajima Black Wagyu bloodlines
- Single-grade quality precision
- No growth hormones
- Luscious eating experience

WHY WINTERFROST

Greater Omaha Packing continues to further develop its breed-specific programs with the launch of WinterFrost to satisfy the most demanding customers. Greater Omaha is known for exceptional beef in every grade. WinterFrost is the perfect complement to expand our offering.

SINGLE SOURCE ADVANTAGE

All products are produced within Greater Omaha's facility, ensuring product integrity and simplicity for ordering and logistics.

SUBPRIMALS

GROUND BEEF

PORTION-CONTROLLED STEAKS

TRUSTED

The simplicity of WinterFrost's single-grade rating means you never worry about the quality and deliciousness of WinterFrost beef. Our expert team has done the hard work to ensure WinterFrost is a consistently superior product that is cut, packaged, and presented to exceptional standards.

PRECISION & CARE

We strive for perfection in our attention to detail, from raising our cattle according to the highest standards to relying on proprietary, cutting-edge technology to ensure our beef is delivered exactly how you want it, when you want it.

BECAUSE FLAVOR MATTERS

Harnessing the superior qualities of our 100% Black Wagyu bloodlines, WinterFrost is fork-tender with the sumptuous, buttery American Wagyu flavor that steak lovers crave.
