AMERICAN WAGYU BEEF

- Tajima Black Wagyu bloodlines
- Single-grade quality precision
- No growth hormones
- Succulent eating experience

Portion-Controlled Steaks | Ground Beef Brick | Patties

Discover the elevated standard in American Wagyu with WinterFrost—crafted for consistency, convenience, and unmatched flavor. From retail-ready solutions to foodservice excellence, these portion-controlled options showcase the marbling, tenderness, and rich taste that define premium beef.

Portion-Controlled Steaks

Vacuum-sealed in Darfresh® packaging, WinterFrost steaks are precision-cut for consistency, freshness, and visual appeal.

- Clear film showcases marbling
- Locks in natural juices, reduces oxidation
- Ideal for retail display and foodservice precision

American Wagyu Ground Beef Brick

WinterFrost ground beef bricks offer rich Wagyu flavor in a compact, easy-to-store format.

- Premium bold, beefy flavor
- Compact shape supports storage efficiency and portion control
- Versatile for burgers, meatballs, sauces, and more

American Wagyu Patties

Pre-formed for convenience, WinterFrost patties are juicy, flavorful, and ready to cook.

- Uniform size for even cooking
- Ready to cook, minimum prep time
- Perfect for premium burger builds
